

CONSENT TO PUBLISH

CIR world is pleased to undertake the publication of your contribution to:

Journal International Journal of Computer & Technology
Titled Distributed OPAC System using Z39.50 Protocol

The copyright to this article is transferred to CIR(including without limitation, the right to publish the work in whole or in part in any and all forms of media, now or hereafter known) effective if and when the article is accepted for publication thus granting CIR all rights for the work so that both parties may be protected from the consequences of unauthorized use.

The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The authors warrant that their contribution is an original work not published elsewhere, that they have the full power to make this grant and that the article contains no matter unlawful or which invades the right to privacy or infringes any proprietary right.

This Form must be signed by the lead author or, in the case of a "work made for hire," by the employer and must be received by CIR before processing of the manuscript for publication can be completed.

Authors should understand that consistent with CIR's policy of encouraging dissemination of information, each work published by CIR appears with the CIR copyright and the following notice:

"Intellectual properties and scientific inventions published with CIR are protected under International and Federal Copyright Laws and Treaties. Permission to make digital or hard copies of part or all of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage and that copies bear this notice and the full citation on the first page. Copyrights for components of this work owned by others than CIR must be honored. Abstracting with credit is permitted. To copy otherwise, to republish, to post on servers or to redistribute to lists, requires prior specific permission and/or a fee."

However, it is at the discretion of CIR if the copyright notice should be included in the published manuscript.

I hereby warrant that I am the sole owner (or authorized agent of the copyright owner(s)).
