Dear Sir,

I would like to get the agreement of the ethic comity to carry out the scientific study within the framework of my doctoral thesis. This work aims to evaluate the oxidative profile and the selenium level in plasma of patients suffering from thyroid dysfunctions.

The image shows a handwritten signature in blue ink, which appears to be 'Malek Mseddi'. Below the signature is a blue rectangular stamp with the text 'CHU Hedi Chaker - SFAX' on the top line, 'Comite d'ethique' on the second line, and 'le president' on the third line.
